Spend time and share ideas with Society Officers and Staff who will be our guests at the meeting. Non ASHRAE officers and chairs are encouraged to register for all conference related events, with the exception of the early morning closed session Caucus Breakfast.

ASHRAE Region IV encompasses all of NC, SC, and GA. The annual CRC is where area HVAC engineers, manufacturers, representatives, and contractors meet to do regional ASHRAE business, take continuing education courses, train new officers, give out awards, catch up with each other, and have a great time!

Region IV, arguably the best region in all of ASHRAE, always has a very well attended, highly enthusiastic, business-filled, and fun-filled CRC! The CRC Committee is determined to make sure that our sponsors get the most prominent and consistent exposure for the duration of the conference!

The 2010 ASHRAE Region IV CRC Committee looks forward to serving you this year!
